DESIGN OPTIONS

Below are examples of two design options which you can choose for your school's Buddy Bench. Final bench design will be approved by school administrator/principal before construction.

Option A - School Name & Colors

Option B - School Name, Colors and Logo

DID YOU KNOW...

Approximately 160,000 students skip school every day because of bullying.

DID YOU KNOW...

Over 3.2 million students are victims of bullying each year.

PRESENTATION & INSTALLATION

Design your customized bench.

Choose a location for your Buddy Bench. Schools are encouraged to place benches in a high traffic area that is monitored by school officials.

Promote and Educate students about the bench and its anti-bullying message during a school assembly.

Reinforce the anti-bullying message by utilizing the bench and display case as a tool to complement the schools own programs throughout the year.

“

“The Scherrer Cares Buddy Bench will enhance our anti-bullying program and will be an excellent tool for our students to spread kindness and make new friends!”

Dave Wellhoefer, Principal of Omro Elementary School

“Unfortunately, bullying takes place in one form or another on almost every school campus. The Buddy Bench provides a visible symbol that this type of behavior will not be tolerated and that every student has a right to a safe learning environment, both physically and emotionally, when they enter our school buildings.”

Dr. Wayne Anderson, District Administrator of Williams Bay School District
